Big News!!

Our Lodge website is now up and running.

www.ncfop52.org

We are official!

Just thought I would get your attention there. Did it work?

The Lodge is planning on having a speaker come and give a presentation about Garrity rights to the officers. If you know anyone who might be interested invite them along. Of course we have plenty of F.O.P. membership applications to go along with your invitation. This is to benefit all active duty officers, as would a membership in the F.O.P. Let's look after each other's welfare.

We recently received a letter from the U.S. Marshall's Office. They are having a recruiting drive now. Anyone interested, call the Lodge (252-633-5389) or contact Officer Witcher.

Next meeting is March 4, 2009 at the Lodge, at 2002 South Glenburnie Road, Suite 5B, at 7:30 pm. See you there.

Sincerely,
Secretary Sharon Witcher
